

# John Lima

iOS Developer  
Born 1989 in Brazil

## About me

I'm passionate about technology, science, developing things that improve people's lives and make the world a better place. I've been working with mobile development for iOS platform since 2014 with experience on all steps of iOS development, from the concept of the ideas until releasing the app on the store and following the results with analytics, tests and crash reports.

Also proficient in web services integration, external frameworks, fastlane, grew up bilingual (Portuguese and English)

## Skills

Xcode

Swift

SwiftUI

Obj-C

git

MVVM

MVC

CI

cocoapods

SPM

Auto Layout

Agile Methodologies

Framework Building
